

**Application and undertaking for affiliation
to Nordcert certification**

Doc.nr: FB22E
Edition: 2
Date: 2016-10-20

We hereby bind ourselves for affiliation to Nordcerts certification of factory production control for precast concrete products.

We commit ourselves to follow Nordcerts certification CB-rules for precast concrete products and Nordcert administrative rules (CB1).

The certification refers to one of the following options below:

We are already certified by a Notified Body and desire additional certification against the Swedish national voluntary BBC-mark

We desire certification for the CE-mark as well as the Swedish national voluntary BBC-mark
